3.0 Evaluation and Award

3.1 General Information

Award will be made to the Provider offering the most advantageous proposal for a Web Content Management Solution. Irvine Unified School District shall not be obligated to accept the lowest priced proposal, but will make an award in the best interest of the District after all factors have been evaluated. All proposals received in response to this RFP will receive a fair and impartial evaluation by the District. In conducting this evaluation, the District may obtain and use information, in addition to that contained in the proposals, from any source desired. Customers on each Provider’s reference will be contacted, as may other customers selected by the District and listed by the Provider as a reference.

The District shall make its evaluation in its sole discretion and its decision shall be final. Public Contracts Code section 20118.2 shall govern the evaluation of proposals, selection of provider, and contract negotiations associated with this Request for Proposals.

3.2 Requirements

Providers must meet all of the minimum requirements defined in this RFP, including meeting mandatory system requirements, performance expectations, and general terms. Providers that do not meet the minimum requirements may be disqualified.

3.3 Scoring

The Web Content Management Solution RFP Process and evaluation components were approved by the Board of Education at the January 12, 2016 School District Board meeting, per Resolution No. 15-16-23.

Qualifying Providers will be evaluated on their complete proposal, based on the following considerations:

Factor	Weight
Vendor Support/Ability to Perform (References)	20%
Technology Requirements	10%
Functionality and Usability	40%
Cost	30%

Interviews/Provider Presentations:

The District reserves the right to conduct in-person interview and/or require a formal presentation for all or a portion of the responding Providers.

Site Visit:

The District reserves the right to visit one (1) or more of the Providers current customer sites.

Discussions:

Discussions may, at the District's sole option, be conducted with responsible representatives who submit proposals determined to be reasonably susceptible of being selected for an award.

Discussions may be for the purpose of clarification to assure full understanding of, and responsiveness to, the solicitation requirements. Firms shall be given fair and equal treatment with respect to any opportunity for discussion and written revision of proposals. Revisions may be permitted after submissions and before award for obtaining best and final proposals. In conducting discussions, the District will not disclose information derived from proposals submitted by competing firms.

3.4 Award

The District will provide all responding providers with a Notice of Intent to Award to Provider. Any Provider protesting the award of a contract to another Provider must do so, in writing, by March 30, 2016 by 4 pm. The Award of the RFP will be voted on by the Board of Education at a public meeting.

3.5 Contract and Warranties

Following the Award of the RFP, the District will prepare and negotiate its own Agreement with the selected Provider to deliver the proposed products and services. The resulting agreement shall conform to the terms and conditions set forth in this RFP and the District's standard agreement (included in the Appendices of this document). Any exceptions or proposed alterations to conditions and requirements defined in this document and the District's standard agreement must be included in the Provider's proposal.

The Selected Provider will guarantee that the Proposed Products and services shall conform in all material respects to the District's specifications in this RFP and the Selected Provider's Documentation accompanying or referred to in this RFP.

If a contract is awarded as a result of this procurement process all warranties made by the Selected Provider, including the Provider's response to the RFP, shall be incorporated into the Agreement and shall be binding upon the Selected Provider. This RFP and the Selected Provider's Proposal will become a part of the Agreement. Any Proposal attachments, documents, letters, and materials submitted by the Provider shall be binding and may be included as part of the Agreement. Submission of a successful Proposal is not the end of the contractual process; further negotiation over the Agreement terms and conditions will be necessary, which, in and of itself, could change the Selected Provider.

4.1 General

These instructions prescribe the mandatory Proposal format and the approach for the development and presentation of Proposal data. Proposal format instructions must be adhered to, all questions must be answered, and all requested data must be supplied.
