Goals & Outcomes

◎ 2021-22 LCAP Development Process
  ○ Understanding the goals of the LCAP and the components of the LCAP document
  ○ Review stakeholder engagement and impact on the draft LCAP

◎ 2021-22 District Budget
  ○ Discussion and analysis of the Local Control Funding Formula (LCFF)
  ○ 2020-21 and 2021-22 “Initial” budget financial projections
LCFF & LCAP
LCAP Overview

- Aligns planning and budgeting
- Monitors implementation of actions
- Monitors student progress by sub-groups
- Engages stakeholders—students, parents, and staff
- Adopted by the Board of Education
The LCAP is organized into four sections:

1. Plan Summary
2. Stakeholder Engagement
3. Goals, Actions, Expenditures and Progress Indicators
4. Increased or Improved Services for Unduplicated Students
Stakeholder Engagement Activity, Spring 2020

- Sites-Stakeholders
  - Reviewed Priority Action Items 19-20 and 20-21 and provided feedback on LCAP Actions

- District Stakeholder Groups:
  - Participated in a needs assessment activity

Annual Survey January 2021

LCAP Activity Spring 2021

Outcome

- Continued focus on “High Priority” Actions
High Priority Action Items

1. Elementary Resource Counselors
2. Technology Maintenance
3. Computer Match
4. Equal Opportunity Schools
5. Graduation Support
Consultation with Associations as Stakeholders

- Our employees provide input about LCAP at their school and district sites and during the survey process for stakeholders.
- There is a duty to “consult” with our employee associations like ITA and CSEA who represent our employees.
- While the LCAP process is not subject to collective bargaining, the LCAP process is typically discussed as informational items in bargaining meeting.
There may be an intersection of LCAP and Collective Bargaining.

As some of the goal areas in the LCAP process relate to curriculum content, selection of instructional materials, and the use of technology, there is a duty to “consult” with bargaining units separately from the LCAP process under Government Code Section 3543.2, if specifically requested by the bargaining units.

In addition, decisions that are made as a result of the LCAP process might have implications for collective bargaining, especially as it relates to particular issues that are negotiable by law, like class size and salary, benefits, and working conditions.

Section 4: Goals, Actions, Expenditures and Progress Indicators

○ 8 State Priorities

○ 3 Districtwide Goals

○ **Goal 1:** Create a positive school climate and system of supports for student personal and academic growth

○ **Goal 2:** Ensure all students attain proficiency in state standards through access to rigorous and relevant learning tools, resources and skills for all staff and students

**Goal 3:** Address barriers limiting student participation in programs and provide equity in allocation of resources
Goals, Actions, Expenditures and Progress Indicators

● 8 State Priorities
● 3 Districtwide Goals
● 17 Progress Indicators

Goal 1
- Attendance Rates
- Chronic Absenteeism
- MS Dropout Rate
- HS Dropout Rate
- Graduation Rates
- Suspension Rates
- Expulsion Rates

Goal 2
- Performance on local assessments (STAR Ren)
- A-G Requirements or CTE Pathways
- UC/CSU requirements
- EL Progress towards proficiency-ELPAC
- EL Reclassification Rate
- Preparation for College by the EAP in ELA & Math

Goal 3
- Teachers appropriately assigned/credentialed
- Access to standards aligned instructional materials
- School facilities maintained and in good repair
LCAP Goal 1

Create a positive school climate and system of support for student personal and academic growth.

2021-22 Budget/LCFF
2021-22 Budget/LCAP

- Provide overview of State’s fiscal outlook and impact on Proposition 98 funding
- Discuss Governor’s January 2021-22 Budget proposal
  - Ongoing funding through the Local Control Funding Formula
  - One-time Categorical funding
- Analyze District’s projected 2021-22 LCFF Funding including shifts in district enrollment
- Provide illustration of Federal stimulus funding
- Discuss use of available funding in the current and subsequent budget year used to develop LCAP
- Provide financial illustration assuming allocation of available district funds
2021-22 State Fiscal Outlook

• Over the past year the impacts of the COVID-19 pandemic have had a profound impact on the State’s Economic forecast
• The 2020-21 State Budget assumed dramatic and sustained decreases in forecasted state revenues of approximately $41.2 billion
• Coupled with forecasted increases in safety net services, the 2020-21 State Budget forecast a $54 billion shortfall
• With the anticipated loss in statewide revenues, Proposition 98 was cut by approximately $13.5 billion in the current year
  • No Cost-of-Living Adjustment (COLA)
  • Deferral of Apportionments of approximately $12 billion
In November 2020, Legislative Analysts Office (LAO) issued annual five year outlook and reported that State revenues were significantly outpacing budget forecast by approximately $38 billion.

In addition, the anticipated increases to safety net services was not realized.

By January, all forecasted revenue loss had been restored and tax collections through February are exceeding budget projections by $10 billion.

Very positive for Proposition 98.

Proposition 98

• Constitutional amendment approved by voters in 1988 with stated goals:
  • Establish “stable, minimum guaranteed funding level” for K-14
  • Receive special status during the annual budget development
  • Receive a minimum share of the State General Fund
  • Keep pace with the economy
  • Take school financing out of politics

K–14 education’s share of state General Fund revenues in 1986–87 (~38%)

Operative test for 2021–22, and has been for the last three fiscal years

Prior-year funding adjusted for ADA and changes in per capita personal income

This test is usually operative in a strong economy

Prior-year funding adjusted for average daily attendance (ADA) and changes in per capita General Fund revenue + 0.5%

This test is usually operative in a weak economy
Proposition 98 Growth is Slowing

• During the recovery years, Proposition 98 provided multi-billion dollar increases as the Maintenance Factor was paid off and strong General Fund revenue growth drove the guarantee higher

• The Governor’s January Budget contains only a modest increase in Proposition 98 funding
  • Proposition 98 growth in 2021-22 is just 3% or $3 billion – Test 1

• Slow revenue growth with increasing costs means more strain on LEA budgets
Proposition 98

Proposition 98 Funding Over Time
2008–09 to Governor’s 2021–22 Estimate

2021-22 Governor’s January Proposal Highlights

- Due to the turnaround in State revenues, the Governor’s proposal includes funding of 2020 Cost-of-Living Adjustment (COLA) of 2.31% along with the 2021 projected COLA of 1.5%...compounded at 3.84%
- Impact to IUSD - $12.6 million
- After accounting for annual increases in expenditures of approximately $7.6 million or approximately 2% of unrestricted General Fund annually, approximately $5 million in ongoing funding available for allocation
- Note: Special Education only allocated 2021-22 COLA of 1.5%
Utilization of $12.6 Million Ongoing Funding (dollars in millions)

- Special Ed Growth: $2.4 million
- Step & Column: $3.6 million

### Additional Funding

- **HTS Transportation** | $1,173,319
- **Targeted Instructional Improvement Block Grant** | $1,448,459

**Total LCFF Funding** | $97,407,908 | $72,259,246 | $49,551,645 | $114,313,044 | $336,153,621

* HTS Transportation and Targeted Instructional Improvement Block Grant funded at 2012-13 levels.
IUSD is currently a LCFF funded District

Current Distribution
- $295M – Local Property Taxes – 87%
- $41M – State Aid – 13%

Basic Aid Districts receive almost all funding from local property taxes

Small amount from Categorical 2012-13

Based on current projections, IUSD will not be Basic Aid through 2024-25
The Governor’s 2021-22 January Budget proposes two significant categorical programs......

AB 86 Signed by the Governor on March 5, 2021 contains two very large categorical programs focused on returning to in-person instruction and mitigating learning loss and provides approximately $6.6 billion

- $2 Billion (one-time) is allocated to In-Person Instruction Grants to assist and incentivize in-person instruction
- $4.6 Billion (one-time) is allocated to Expanded Learning Grants

Funding for both grants is allocated based on a District’s statewide share of LCFF funding with funds anticipated to be received in May 2021 and August 2021
In-Person Instruction Grants

- IUSD to receive $10.6 million
- Funds must be spent by August 2022
- Allowable uses include:
  - Purchase Personal Protective Equipment (PPE)
  - Improve ventilation of indoor learning spaces or create outdoor learning spaces
  - Teacher or classified staff salaries for those providing and supporting in-person instruction
  - Social and mental health support services provided in conjunction with in-person instruction
  - More broad based uses than the Expanded Learning Grants

Expanded Learning Grants

- IUSD to receive $22.4 million
- Funds must be spent by August 2022
- Allowable uses include:
  - Expanded summer school or intersessional instructional programs
  - Extending school year; increasing instructional minutes/days
  - Implementing/expanding learning supports
    - Tutoring, learning recovery programs and educator training in “accelerated learning strategies and effectively addressing learning gaps”
  - Addressing other “barriers to learning” including health, counseling, mental health services, school meal programs, before and after school programs
  - Community learning hubs that provide access to tech
- LEAs must develop an expenditure plan by June 1
What is not in Governor’s Proposal…

- Increased LCFF Targets above COLA
- Additional Funding to Reduce CalSTRS and CalPERS Costs
- More discretionary dollars and less tied to restrictive programs
School Employer Contribution Rates

- 2020 Budget Act redirected $2.3 billion for employer long-term unfunded liability provided in 2019 Budget Act to further reduce CalPERS and CalSTRS contribution rates in 2020-21 and 2021-22
- In 2021-22, $820 million will go towards lowering CalSTRS 2021-22 rate, $330 million to reduce CalPERS 2021-22 rate
