School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Alderwood Elementary, located in the Quail Hill area of Irvine just south of the 405 freeway, is home to approximately 850 pupils in grades TK-6. Alderwood serves as the Quail Hill neighborhood school. A philosophy built upon the commitment to continuous improvement for all staff and students, the direct instruction and acknowledgement of school-wide behavior expectations, a strong level of articulation amongst staff, and an exceptional partnership with our parent community prepares our students with the skills and knowledge necessary to succeed in today's world. A special strength of our educational program includes the substantial enrichment provided by Alderwood's Parent Teacher Association.

Our mission is to enable all students to become contributing members of society empowered with the skills, knowledge, and values necessary to meet the challenges of a changing world, by providing the highest quality educational experience we can envision.

At Alderwood Elementary School:

- Education is a shared responsibility between the students, the staff, the home, and the community.
- Children are the focal point of all decisions.
- Students demonstrate respect for themselves and others in a culturally diverse population and learn to work together toward common goals.
- Students and staff members hold themselves to high standards of personal performance and are accountable for their decisions and their actions.
- Students become self-motivated lifelong learners who discover the joy of learning through an engaging educational program.
- Students acquire 21st century learning skills allowing them to be successful in all aspects of our global society.

School Facility Conditions and Planned Improvements (Most Recent Year)

Alderwood Elementary School has the good fortune to be housed in a beautiful, brand new facility since September 2005. This facility houses twenty-six classrooms, the multi-purpose room and stage area, the media center/Learning Commons, and various administration/clerical and support team offices and work areas, Four modular classrooms were added to increase total classrooms by four. The school is indeed fortunate to have a custodial staff that is committed to maintaining this new facility to the highest standards. Alderwood maintains a clean and safe environment that positively supports the teaching and learning taking place daily.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	78	74	77	78	50	50
Mathematics (grades 3-8 and 11)	74	73	74	74	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Parent participation is a hallmark of Alderwood’s culture. The Parent Teacher Association (PTA) is a very important partner in our school programs. There are numerous opportunities to become involved at Alderwood from classroom volunteers to fundraising events to parent education nights to being an official duplicator. The strong partnership between parents and staff has formed what is described as the “Alderwood Difference.” In addition to Back to School Night parent presentations, parents of students who are not achieving are invited to a Student Study Team meeting to review resources and plan interventions. Family activities during the year include family PTA programs such as Family Festival and Movie night, Book fairs, Multicultural Event and many more. There are GATE parent nights and special education parent nights run through the site and the district to increase the involvement of parents of children with special program needs. Parents and community representatives are involved in planning, implementing and evaluating programs through: School Site Council (SSC), English Language Advisory Council (ELAC), PTA, and Meet & Greet opportunities for the public with the principal.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Expulsions	0.0	0.0	0.0	0.0	0.0	0.0	0.1	0.1	0.1

School Safety Plan (School Year 2019-20)

Alderwood School has developed a comprehensive Safe School Plan. The plan is evaluated yearly and amended, as needed by the school safety team. Key elements of the plan include: 1. Assessing the current status of school crime committed on the school campus and at school-related functions, 2a. Child Abuse Reporting Procedures, 2b. Disaster Procedures-Routine and Emergency, 2c. Policies for Suspension, Expulsion and Mandatory Expulsion, 2d. Procedures for Notification of Staff Regarding Dangerous Students, 2e. Policies on Sexual Harassment, 2f. Policy Relating to School Dress Code, 2g. Procedures for Safe Ingress and Egress of Pupils, Parents, and School Employees To and From School, 2h. Procedures that Create a Safe and Orderly Environment Conducive to Learning at School, 2i. Rules and Procedures on School Discipline.

To further ensure a safe environment for our children, the entire staff is regularly trained in disaster preparedness. TK-6 staff regularly practices fire, earthquake, lock down procedures, emergency disaster drills and an annual re-unification drill.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2018-19)

The Local Control Funding Formula has replaced California's previous method of allocating funds to school districts. In place of more than 40 specific funding categories, the new model has established three sources of state funding with increased local discretion to determine how best to spend those funds in the service of students. All districts receive a BASE of per-student funding that varies slightly depending on grade level. All districts also receive SUPPLEMENTAL funding. IUSD has used BASE and SUPPLEMENTAL funding to support the following programs:

Site Programs and Services: 1) Support professional learning and teacher coaching through induction program, content TOSAs and teacher mentor program , 2) provide summer school and summer athletic programs, 3) Allocating site funding and staffing to support student achievement through support of Professional Learning Communities (PLC) and site PLC coaches, 4) Elementary P.E. paraprofessionals, 5) Support for English language learners, 6) Elementary science, music, and art programs, 7) Purchase textbooks and instructional materials, 8) Develop a technology rich learning environment including; Technology matching programs, Technology Maintenance fund and site technology support staff, 9) Maintain previously implemented class-size reduction, 10) Additional secondary sections to reduce class size, 11) Middle school zero period program, 12) Maintain positive behavioral intervention and support program, 13) Maintain site staffing with full-time assistant principals, 14) 450:1 counseling ratio, support for large elementary schools and elementary classroom aides, 15) Support interventions and supplemental programs impacting English learners, low income and foster youth, 16) Continue to build Career-Technical Education pathways and blended On-line learning opportunities for students, 17) Develop mental health and wellness programs and hire district and site based staff including support for the Irvine Family Resource Center.

Finally, CONCENTRATION grant funding equal to 50 percent of the base is provided to districts in which English-learners, low-income students and foster youth exceed 55 percent of the total enrollment. Irvine Unified School District is not eligible for concentration funding because its enrollment does not exceed the 55 percent threshold.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	9	9	7

Targeted staff development activities are essential for maintaining and improving quality education. The topics chosen for Alderwood’s in-depth annual study or practice are connected to the district and school action plans for continuous improvement and student achievement. Student achievement data, program assessment data, and state instructional focuses drive content identified in the two aforementioned action plans. The primary focuses of staff development for the current year include Positive Behavioral Interventions and Supports (PBIS), utilizing instructional technology to think critically and creatively and taking intellectual risks. Professional development sessions take place during teacher release days, student free days and after school two hour sessions designated throughout the year. Annual study and practice mastery are monitored through the individual and team continuous improvement goal process. Primary areas of focus include: Thinking Maps Training, PLC Development, GAFE Training and PBIS.
