## School Accountability Report Card

### Reported Using Data from the 2018-19 School Year

#### Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2019-20)

Loma Ridge is a brand new school in the Irvine village of Portola Springs serving students in grades kindergarten through fourth. Our vision is to establish a positive, welcoming environment, grounded in relationships, where growth mindsets are nurtured and a passion for learning is modeled so that every student engages, learns and thrives. In an effort to bring our vision to reality, we have implemented multiple practices across our school that nurture connections and build relationships. Every morning, students can be seen at classroom doors selecting a personal morning greeting to exchange with their teacher. Additionally, we are a Calm Classroom school meaning every student at Loma Ridge experiences three two minute mindfulness experiences along with their teacher and classmates each day. We have also made it a weekly practice to engage in restorative circles in each of our classrooms. Circles are great for problem solving when an issue arises or just for getting to know one another through a facilitated process.

With high levels of engagement and the goal for students to thrive, we have also placed a heavy emphasis on four Cs - collaboration, communication, creativity and critical thinking. These skills can be observed in our classrooms on a daily basis throughout the learning experiences. Our innovation lab is also a hot spot for STEAM learning where students interact with all sorts of technology and art experiences where they apply their scientific, mathematical and engineering skills. Students have the experience of visiting the lab once a week with their class and have the option to visit the lunchtime lab four days a week during lunch recess. Needless to say the lab is the place to be each day around noon.

With our highly skilled, dedicated, kind and caring staff, with the incredible PTA and community support that we receive and with our state-of-the-art facility, our students are sure to thrive here at Loma Ridge.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## CAASPP Test Results in Science for All Students

### Grades Five, Eight, and Ten

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Science (grades 5, 8 and high school)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

#### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

#### California Physical Fitness Test Results (School Year 2018-19)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
5			

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

#### Opportunities for Parental Involvement (School Year 2019-20)

At Loma Ridge, parents are encouraged to be our partners in educating our students. There are multiple opportunities for parental involvement beginning with consistent and active engagement in communicating with classroom teachers to keep apprised of the learning that is occurring in the classroom. Additionally, parents are welcomed as volunteers within the classroom assisting with small groups during instruction as well as with clerical tasks in preparation for future learning experiences. Parents who are unable to volunteer during the school day due to other commitments are able to support their child's classroom by preparing materials at home and sending them back to school.

We also have our Parent Teacher Association (PTA) and School Site Council (SSC) at Loma Ridge. Both groups engage parents as active participants and influencers in planning, implementing and monitoring of programs and practices at Loma Ridge. PTA is responsible for all community-building, supplemental programs such as assemblies & classroom events and fundraising campaigns. We encourage all parents to join our PTA and for those who are able to volunteer in any capacity. We have opportunities for parents to volunteer at events, as coordinators of events/programs and to serve on our executive board. The School Site Council (SSC) reviews the site level action plan and is informed of the school's expenditures that meet those actions. Additionally, our council members have the unique opportunity to learn in more detail about the inner workings of our school and activities/events that impact the education of students here at Loma Ridge. Our SSC is comprised of five staff members and five parents. Each member is voted in for a two year term and any parent is welcome to run for a member position when the opportunity arises at the beginning of each school year.

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan (School Year 2019-20)

The most recent review of the Loma Ridge School Safety Plan occurred on October 24, 2019. Our plan includes our school discipline policy and positive behavioral expectations, our safe routes to school and emergency evacuation school map, incident command chart and duties, utility shut-off locations and after school emergency procedures, and emergency response plans for all potential emergency situations. Our staff reviews and updates the plan each Fall and implements the plan during drills throughout the school year. We complete a fire drill monthly as well as two disaster and two lockdown drills each school year.

### D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Ratio of Academic Counselors to Pupils (School Year 2018-19)

Title	Ratio
Academic Counselors*	.0

\*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

### Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2017-18)

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary

## Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			5

As a new school, our professional learning plan was determined by district and school goals for the year as well as through anticipation of instructional needs based on collective past experience within IUSD. Our primary focus for the school year was to create and implement systems to support the whole child at Loma Ridge. This included establishing a Professional Learning Community (PLC) and implementing The Learning Cycle (TLC) as a means to monitor student achievement and growth. Additionally, we have focused immense effort on the building of connections and relationships as a new school which has been supported by the implementation of a variety of practices that are connected to this focus while also embedding social emotional learning within the practice. Our teachers have been trained to implement Positive Behavioral Interventions and Supports (PBIS), Calm Classroom, Zones of Regulation, Morning Greeting, and Restorative Circles. Our Multi-tiered System of Supports (MTSS) is under construction and much of our professional learning time is centered on this system and how we can support student academic, behavioral, and social emotional needs at Loma Ridge. Finally, we are adopting a writing program school-wide next year and plan to begin training in Write from the Beginning and Beyond in the Spring of this year to jumpstart that endeavor.

Our professional learning is supported by Loma Ridge teachers who are experts in certain areas as well as by district specialized staff including Teachers on Special Assignment (TOSAs), Coordinators and Directors. We are privileged to have the opportunities available to us and are committed as a staff to being lifelong learners in order to best serve our Loma Ridge students.
