

STUDENT SCIENCE SAFETY CONTRACT

Student Name	Classroom Teacher

In order to maintain a safe science learning environment, students must follow science classroom safety rules. Please read and sign the rules with your parent or guardian. Then return this form to your teacher. Thank you.

1. I will listen to teacher directions and follow them at all times.
2. I will wait for teacher permission before touching science materials. I will use all materials properly.
3. I will only move around the classroom when allowed by my teacher.
4. I will only bring required materials to the science lab. I will not share my supplies with others.
5. To keep everyone safer, I will wear a mask that covers my nose and mouth at all times. I will wear gloves and goggles when asked.
6. If something spills or breaks, I will report the accident to the teacher.
7. I will keep all materials and supplies out of my mouth. I will not eat or drink in the science lab.
8. I will wash my hands or sanitize when I enter or exit the lab, before and after using shared equipment, and after sneezing/coughing.
9. Wipe in/wipe out: I will thoroughly clean my area when I enter and before I exit the science lab.
10. I will be careful, act responsibly and exercise good judgement at all times.

<i>I understand and agree to follow all of the safety rules listed above.</i>
