

Health Advisory Committee**Agenda**

February 9, 2022

11:30 am – 1:00 pm

Join the virtual meeting at <https://bit.ly/Feb9HAC>

In compliance with the Brown Act and in accordance with the rules for this Board-appointed committee, we ask that public comments and questions be reserved for specified times within the agenda. Please complete blue slips before the meeting. If there are questions or comments that members of the public do not have the opportunity to share, please speak with the STEM Director after the meeting or make an appointment with the STEM Director. Your feedback and involvement is very, very important and valued.
