

Thank you to those who have written IUSD and/or attended the parent forums to provide your feedback about possible boundary adjustments for some neighborhoods serving Jeffrey Trail, Sierra Vista and Venado middle schools and Irvine, Northwood and Portola high schools.

Please note, no decisions have been made. The input from the parent forums and written communications are an important part of the decision making process. Your feedback has been provided directly to the Board of Education and the [Boundary Advisory Committee](#).

Next Steps

The Boundary Advisory Committee will review feedback as part of the committee's process and will make recommendations to the Superintendent's Cabinet, which will make recommendations to the Board of Education.

The Board will vote on this matter during the December 12 Board Meeting.
