2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Plaza Vista School is a K-8 single-track, year-round calendar school located in the community of Irvine. The Irvine Unified School District, located approximately forty-five miles southeast of Los Angeles, serves over 30,000 students representing a diverse population of both ethnic and socio-economic groups. Approximately 947 students attend Plaza Vista School. The building is a beautiful, modern single story facility encompassing 63,000 square feet and was built in 1999. Our school proudly serves over twenty languages with concentrations in Mandarin, Vietnamese, Korean, Japanese, Spanish and Farsi. The Plaza Vista student population is a microcosm of the rich diversity found in California. As a K-8 school, we will have the pleasure of watching these children grow and develop over a span of nine years. This extended family makes Plaza Vista a special place for children and adults.

We at Plaza Vista are committed to ensuring all students experience successes regularly. Through the effective use of collaboration and dedicated time we will utilize all available resources for students to reach and exceed individual goals. Our mission is to create a school that fosters open lines of communication and support. We value honesty and respect for all. The curriculum is comprehensive and considers each individual. We desire a school that is safe, clean, and attractive. Our intent is to provide an appreciative, friendly atmosphere for all of our community. We are committed to the love of learning and will actively seek to instill this desire in our students. Our primary goal is academic, social, and physical achievement for all students.

Plaza Vista opened its doors in 1999 as a year-round option for Irvine students with a focus on family, the arts, and academics. Today, Plaza Vista is a neighborhood school with many of the traditions from its outset continuing to thrive. Science specialists and science teachers serve students starting in 4th grade. Our supportive PTA helps fund art for students in kindergarten through 5th grade. IPSF helps fund numerous instructional aides (with many of those staff holding teacher credentials) and music classes for all students. Computers are available for students in all grades along with Chromebooks and iPads (thanks in part to our amazing PTA). All grades at least one computer or Chromebook per student to use at school (1:1). Plaza Vista's Positive Behavior Intervention System framework is PRIDE- Partnership, Respect, Integrity, Determination, and Empathy. Our entire student body benefits from our middle school students' leadership via student council, PRIDE mentoring, National Junior Honors Society, No One Eats Alone Day, recycling work, and more. Our amazing PTA strengthens community and provides resources for our school program in numerous ways including our annual carnival in May (please join us!), the Jog-a-thon, the annual membership drive, family nights (which have included a magic show, bowling, restaurant nights, a "drive-in" movie, bingo, and much more), guest speakers, the book fair, assemblies, bake sales, lunch-time activities and games, field trips, Red

2021-22 School Overview

Ribbon Week, and more! The Mission Statement of Plaza Vista is: All staff through collaboration, shared leadership, and while engaging in intellectual risk-taking, will support every child. An unofficial but hallowed slogan here painted in the hallway is: We take care of this place, we take care of each other. Plaza Vista is a California Gold Ribbon School, a California Distinguished School (twice awarded), and a California Honor Roll School. Our students achievement on standardized exams consistently ranks amongst the highest in the state (like many Irvine schools).

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

As one of the newer schools in the district, our facility is extremely comfortable and conducive to learning. The building and grounds are spacious and very utilitarian. We think the appearance of a school as well as its occupants reflects the level of care and attention given to the education of the children inside.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Please feel free to contact the school office and speak with our administrative staff regarding any enrollment or program questions. Our friendly and knowledgeable staff will be glad to be of assistance. Our PTA is highly involved in the daily operations of the school and supports our students with time, money and resources. For more detailed information regarding Plaza Vista's PTA, please visit our school's website. There are a wide variety of opportunities for parents to participate in the activities that occur here at Plaza Vista. We have the school calendar and related items available on our website for those interested in gaining valuable information about our program and activities.

Our School Site Council meets several times a year as well.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

The Plaza Vista safety plan is updated annually and is an ongoing school activity conducted with the assistance of the Orange County Fire Authority and the Irvine Police Department and in conjunction with Irvine Unified district office personnel. We practice components of our emergency plan monthly and evaluate our procedures regularly to assure the safest environment for our children. Our Assistant Principal (Rick Blazer) can provide more information.

2020-21 Types of Services Funded

The Local Control Funding Formula (LCFF) has replaced California's previous method of allocating funds to school districts. In place of more than 40 specific funding categories, the LCFF model has established three sources of state funding with increased local discretion to determine how best to spend those funds in the service of students. All districts receive a BASE of per-student funding that varies slightly depending on grade level. All districts also receive SUPPLEMENTAL funding. IUSD has used BASE and SUPPLEMENTAL funding to support the following programs:

Site Programs and Services: 1) Support professional learning and teacher coaching through induction program, content TOSAs and teacher mentor program, 2) provide summer school and summer athletic programs, 3) Allocating site funding and staffing to support student achievement through support of Professional Learning Communities (PLC) and site PLC coaches, 4) Elementary P.E. paraprofessionals, 5) Support for English language learners, 6) Elementary science, music, and art programs, 7) Purchase textbooks and instructional materials, 8) Develop a technology rich learning environment including; Technology matching programs, Technology Maintenance fund and site technology support staff, 9) Maintain previously implemented class-size reduction, 10) Additional secondary sections to reduce class size, 11) Middle school zero period program, 12) Maintain positive behavioral intervention and support program, 13) Maintain site staffing with full-time assistant principals, 14) 450:1 counseling ratio, support for large elementary schools and elementary classroom aides, 15) Support interventions and supplemental programs impacting English learners, low income and foster youth, 16) Continue to build Career-Technical Education pathways and blended On-line learning opportunities for students, 17) Develop mental health and wellness programs and hire district and site based staff including support for the Irvine Family Resource Center.

Finally, CONCENTRATION grant funding equal to 50 percent of the base is provided to districts in which English-learners, low-income students and foster youth exceed 55 percent of the total enrollment. Irvine Unified School District is not eligible for concentration funding because its enrollment does not exceed the 55 percent threshold.

Professional Development

Targeted staff development activities are essential for maintaining and improving quality education. This year we have dedicated full days, plus numerous afternoons to professionally develop and grow as a staff. Our topics of focus this year include:

- Goal Setting
- Positive Behavior Interventions & Support (PBIS)
- Student Support & Interventions
- Examination of student assessment results
- California Common Core Standards
- Technology
- Reading Strategies
- Grade Level Articulation
- Professional Learning Communities (PLCs)
- Student Mental Health
- Failure as part of the learning process
- Intellectual risk-taking
- Supporting at risk populations.

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
