## 2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2022-23 School Overview

Deerfield Elementary is a PK-6 neighborhood school in the heart of Irvine, California. We are extremely proud to have been selected as an outstanding elementary school by the State Department of Education receiving the California Distinguished School Award in 2006, 2012 and 2018. Deerfield has also been awarded the prestigious federal No Child Left Behind National Blue Ribbon Award in the fall of 2007. Serving students since 1976 when Irvine was still steeped in its agricultural past, Deerfield has evolved into a unique educational experience that successfully achieves a top-quality education while addressing the challenges and benefits of teaching a substantial number of recent-immigrant students. Deerfield's children hail from countries as varied as Korea, China, Vietnam, Russia, India, Iran, Mexico, and several African nations. Gather all Deerfield families together in one place and you'll hear 32 different languages spoken.

Our Mission is that Deerfield students will attain high levels of achievement within a safe school environment that is staffed by highly-qualified individuals. Our vision is to foster success through meeting the academic needs of students with regard to individual learning styles and instructional levels. All students engage in a thinking, meaning-centered curriculum that is challenging, engaging, and meaningful for students. We focus on the Common Core Standards and enrich the curriculum through depth, complexity, and differentiation to ensure each student reaches his or her full potential.

Deerfield's accomplishment of its mission is not confined to traditional "academic" subjects. One particularly impressive example of Deerfield's breath is the fine arts program in which classroom teachers and highly trained specialists in music and art provide students with the foundations for lifelong enjoyment, involvement, and leadership. Student artwork adorns the corridor walls, and the vibrant, high-circulation library and state-of-the-art computer lab are nestled in the center of the school, incorporating the rich traditions of the past while fostering a vision of the future in child education. We have received grant funding to build a traditional garden as well as an aquaponics garden that provide active learning opportunities for our students. Additionally, the use of technology as an instructional tool permeates every aspect of the school. All students, PK-6, enjoy our media lab where, on a weekly basis, our media technician and classroom teachers work collaboratively to teach word processing, research, technology presentation, and problem solving skills. Additionally, teachers regularly utilize chromebooks for authentic integration of technology during classroom lessons. Technology is used to deepen the curriculum and access information outside of class.

A focus on the development of character and leadership traits is also a strong focus at Deerfield. Our Positive Behavior Interventions and Support System (PBIS) focuses on the "Falcon Five" traits of exhibiting kind, safe, focused, respectful and

## 2022-23 School Overview

responsible behavior. Students are explicitly taught expectations for exhibiting these behaviors throughout the campus and are recognized for positive behavior. Our 5th and 6th grade students also have the opportunity to serve on Deerfield's "Flock Together" team where we focus on developing servant leadership through participation in spirit, service, media and Green Team committees.

While 40% of the student population comes from families where English is not the home language, Deerfield continues to produce standardized test scores above the state, county and even district averages. The school's Alternative Program for Academically Accelerated Students (APAAS) currently includes students formerly identified as Title I and English Learners. A well-rounded education encompassing academics, physical education, art lessons, vocal and instrumental music education, civic duties and service learning allows each student to find his or her strengths in a "safe to try" environment. Programs available to assist individual needs include our Multi-Tiered System of Support for Students, Title I, Gifted and Talented Education (GATE), Positive Behavioral Intervention and Support (PBIS) school wide behavioral support systems, a Speech/Language Program, and a Specialized Academic Instruction Program (SAI).

We believe that communication between parents, students, and teachers is a continuous process and we strive to communicate clearly, effectively and in a timely manner. Indeed, involvement between the parent, student, and teacher is vital to the learning process of each child. We encourage parents to be involved with their children and with us in determining the goals for our school and in evaluating student progress. We appreciate parents helping students acquire good study habits and social responsibility.

At Deerfield, we recognize the changing nature of education and society, and we can witness a way of life where "diversity" evolves into a word with positive connotations. One can discover how seeing to an individual's needs and acting upon the premise that all children are capable produces astounding results--even when that individual doesn't initially speak the same language or have access to all of the advantages society has to offer.

Every student who promotes from Deerfield Elementary is prepared to meet the increasingly multicultural, ever-changing world. The Deerfield family takes tremendous pride in allowing its children to start their lives with such a remarkable experience.

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## School Facility Conditions and Planned Improvements

Deerfield was built in 1976 and is one of the district's open space facilities. After moving to El Camino Elementary School for the 2010-2011 school year, we returned to our beautifully modernized Deerfield site in the fall of 2011. We now have 21 individual classrooms, a brand new Administration Building housing our staff lounge, nurse's office, conference room, principal's office and expansive area for our school clerk and administrative assistant, a re-designed library with a glass vaulted ceiling allowing for natural lighting and a computer lab which now enables two full classrooms to occupy the lab simultaneously yet be engaged in different curriculum. Our Kindergarten area is safely gated with a newly installed age appropriate play structure and the playground for grades 1-6 has been completely re-done and updated. Student and staff restrooms have been added to the inside of the main building, as well as instructional areas/rooms for reading intervention, Special Education services, small group work, and guidance resources. Indeed, Deerfield enjoys a state-of-the-art school facility to support its educational program. Recent facility improvements include strengthening the technology infrastructure to support 1:1 access to technology throughout the entire campus, installing security cameras, and installing auto-lock doors to improve safety response systems on campus. A shade structure and tables have been added outside of the upper grade classrooms to serve as an additional learning space for student.

During the 2022-2023 school year, we opened our new "Event Center" for music instruction, assemblies and school-wide use. Our new cafeteria opened, offering more space for students and food service. Solar panels were installed in the front parking lot. During the 2022-2023 school year, an additional parking lot with solar panels is being added as well.

Since the 2020-2021 school year, modifications made to our facilities in response to the pandemic have remained in place. The district thoroughly serviced our HVAC system and recalibrated it to pull in fresh air from outside in compliance with CDC guidelines. Additionally, all HVAC systems have been equipped with upgraded industry standard MERV 8/13 air filters. Each classroom has been equipped with an independent HEPA air purification system that cleans the air every 30 minutes.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**  
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	N/A	76	N/A	75	N/A	47
<b>Mathematics</b> (grades 3-8 and 11)	N/A	74	N/A	68	N/A	33

## 2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 5	100.00%	73.39%	97.25%	98.17%	97.25%

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2022-23 Opportunities for Parental Involvement

Parents are active participants at Deerfield. They are encouraged to become involved in school in a variety of ways. All parents are encouraged to join the PTA and/or become involved in the School Site Council and English Learner Advisory Committee. Parent training are offered throughout the year on a variety of topics pertaining to academics and social emotional wellbeing. Parents who volunteer in classrooms, the library, and other areas of the school provide a valuable service that is sincerely appreciated and vital to our most successful learning environment. Volunteering in our school sends the message to children that school is important. Please contact your child's teacher or the main office for opportunities to volunteer at Deerfield School at 949-936-5650. There is an easy process in place for parents to become volunteers. We welcome and encourage you to get involved in supporting our students!

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.58	0.73	2.45
Expulsions	0.00	0.01	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

## 2022-23 School Safety Plan

Our focus each year is to ensure a safe physical and emotional learning environment for all children and adults at Deerfield School. A part of our emphasis on ensuring a safe environment for our children is training the staff in emergency preparedness, such as search and rescue techniques and stranger intruder response. Earthquake, lock down and fire drills including evacuation procedures are also conducted regularly to familiarize our students with effective emergency responses as well. Many of our teachers are trained in Medic First Aid to ensure that they are medically prepared for a disaster. Deerfield has developed a comprehensive Safe School Plan. Our plan is evaluated yearly and amended, as needed by the School Site Council or school safety planning committee. Key elements of the plan include: 1. Assessing the current status of school crime committed on the school campus and at school-related functions, 2a. Child Abuse Reporting Procedures, 2b. Disaster Procedures-Routine and Emergency, 2c. Policies for Suspension, Expulsion and Mandatory Expulsion, 2d. Procedures for Notification of Staff Regarding Dangerous Students, 2e. Policies on Sexual Harassment, 2f. Policy Relating to School Dress Code (especially gang-related apparel), 2g. Procedures for Safe Ingress and Egress of Pupils, Parents, and School Employees To and From School, 2h. Procedures that Create a Safe and Orderly Environment Conducive to Learning at School, 2i. Rules and Procedures on School Discipline. In addition, Deerfield has developed a positive behavior support program for students emphasizing the Falcon 5: kindness, honesty, respect, responsibility and safety. Through a collaborative process involving our staff, students, and parents, Deerfield has developed a Positive Behavior Intervention System (PBIS) to clearly define expectations of student behavior to foster an ideal emotionally intelligent learning environment for our students.

Sincer the 2021-2022 school year, additional safety measures have remained in place to ensure student safety. The district thoroughly serviced our HVAC system and recalibrated it to pull in fresh air from outside in compliance with CDC guidelines. Additionally, all HVAC systems have been equipped with upgraded industry standard MERV 8/13 air filters. Each classroom has been equipped with an independent HEPA air purification system that cleans the air every 30 minutes. Enhanced custodial cleaning and disinfecting protocols are in place. Our custodian schedules have been modified to allow for additional cleaning and sanitizing throughout the day and each night. Any individual on campus is required to wear a face mask/covering. Our office and classrooms all have extra masks on hand for anyone needing one.

Our health office works to monitor student illness and safety protocols. Protocols are in place to identify symptoms and minimize exposure. Parents are informed of safety measures and timelines for students to return to school if needed.

Staff is continuously trained on safety measures as needed. Parent communications are sent regularly with reminders of procedures and safety protocols.

Deerfield works closely with the district and Irvine Police Department to continually enhance our safety/emergency procedures and protocols.

## 2021-22 Types of Services Funded

The Local Control Funding Formula (LCFF) is the method of allocating funds to school districts. The LCFF model has three sources of state funding with local discretion to determine how best to spend those funds in the service of students. All districts receive a BASE of per-student funding that varies slightly depending on grade level. All districts also receive SUPPLEMENTAL funding. IUSD has used BASE and SUPPLEMENTAL funding to support the following programs:

Site Programs and Services: 1) Support professional learning and teacher coaching through induction program, content TOSAs and teacher mentor program, 2) Provide summer school and summer athletic programs, 3) Allocating site funding and staffing to support student achievement through support of Professional Learning Communities (PLC) and site PLC coaches, 4) Elementary P.E. paraprofessionals, 5) Support for English language learners, 6) Elementary science, music, and art programs, 7) Purchase textbooks and instructional materials, 8) Develop a technology rich learning environment including: Technology matching programs, Technology Maintenance fund and site technology support staff, 9) Maintain previously implemented class-size reduction, 10) Additional secondary sections to reduce class size, 11) Maintain positive behavioral intervention and support program, 12) Maintain site staffing with full-time assistant principals, 13) 450:1 counseling ratio, support for large elementary schools and elementary classroom aides, 14) Support interventions and supplemental programs impacting English learners, low income and foster youth, 15) Continue to build Career-Technical Education pathways and blended on-line learning opportunities for students, 16) Implementing mental health and wellness programs and hire district and site based staff including support for the Irvine Family Resource Center.

Finally, CONCENTRATION grant funding equal to 50 percent of the base is provided to districts in which English-learners, low-income students and foster youth exceed 55 percent of the total enrollment. Irvine Unified School District is not eligible for concentration funding because its enrollment does not exceed the 55 percent threshold.

## Professional Development

The Deerfield staff and the Irvine Unified School District are highly dedicated to continuous professional development to provide the most effective instructional program for our students. The District and site have staff development days, as well as afternoon professional development for teachers which total 30 hours in addition to ongoing staff development during staff and team meetings. We continue to develop research based instructional strategies and practices, as well as methods to differentiate instruction to better meet student needs through the Professional Learning Communities model. This year's school-wide goals for improving student achievement include efforts to begin to implement social justice standards with a focus on Equity, Excellence, Diversity and Inclusion, support students' social-emotional learning and refine our instructional focus based on student achievement data and to intervene and support all students more effectively. We are focused on student engagement and best instructional practices, classroom management to best promote student collaboration, critical thinking and academic risk-taking opportunities, and curriculum and assessment development are happening at all levels-administrative, teachers and support staff. Teachers are supported during implementation through in-class modeling, teacher-principal meetings, grade level and vertical team collaboration, and student performance data reporting. In addition, we will research, develop and utilize progress monitoring tools for tier 2 and tier 3 interventions. Another area of focus will be behavior and student social/emotional support and wellness. The staff will continue to be trained on Positive Behavior Intervention and Supports (PBIS) aimed at establishing the social culture and behavioral supports needed for Deerfield to continue to be an effective learning environment for each student and to further support student academic achievement. Promoting and practicing emergency preparedness and campus safety is always an on-going focus at Deerfield. Teachers participate in 3 district professional development days and six 2-hour sessions throughout the school year.

This table displays the number of school days dedicated to staff development and continuous improvement.
