School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018-19)

At Stone Creek Elementary School we strive to become contributing members of society empowered with the academic knowledge, social skills, and core values necessary to meet the challenges of a changing world.

Located in the village of Woodbridge, in the city of Irvine, Stone Creek is a neighborhood school with an enrollment of 585 students in grades kindergarten through six. Stone Creek's educational program features a strong academic focus in a structured and supportive setting. We provide a safe and nurturing school environment where all students are challenged to reach their maximum potential. Parents and staff work in partnership to ensure that every child is successful. Our offerings this year have included GATE clusters in classrooms, special education support, Early Intervention Reading Model support for grades K-1, after-school supplemental math instruction, instructional support for our English Language Learners, and regular education classes. We are also fortunate to have a number of students representing a variety of ethnic backgrounds and languages, which adds to the rich diversity of our school.

Each of our teachers participates in a variety of professional learning activities designed to enhance their professional skills. Our curriculum specialists provide enrichment in art, music, and science, and our support staff provides assistance and reinforcement of essential skills. At Stone Creek, we are fortunate to offer a 1:1 device to student ratio in grades two through six which enables our students access highly engaging learning opportunities while gaining the technical skills necessary for their future.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

Stone Creek Elementary school opened in 1978 and completely modernized during the summer of 2009. Our facility includes fifteen modified self-contained classrooms within the main building and seven relocatable classrooms to serve our student population. Stone Creek includes a library/media center, which houses books, iPads, chromebooks and computers. A separate multipurpose room is the setting for assemblies, programs, and music instruction. Currently, our school is undergoing the building of a design lab for science instruction. Our former computer lab is undergoing construction as well to create an innovation lab with access to a collaboration space, the library and the new design lab. All classrooms are connected to the internet, and LCD projectors have been installed in each classroom. During the summer of 2017, all classrooms within the school building will be modified to have interior, lockable doors.

We continue to focus on providing a safe environment for our students and have worked with the Irvine Police Department and our parent community to develop a drop off and pick up system that keeps traffic flowing more effectively in a parking lot that was never designed for the current level of use.

Supported by Maintenance and Operations staff and Grounds staff, our custodial staff is dedicated to keeping our building and grounds clean and safe for all students and staff. Our playground and blacktop areas are well-maintained and playground equipment was recently upgraded on the main play area and the kindergarten area.

School Facility Good Repair Status (Most Recent Year)

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	82.0	78.0	77.0	77.0	48.0	50.0
Mathematics (grades 3-8 and 11)	79.0	78.0	74.0	74.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	351	349	99.43	78.22

Students with Disabilities	32	32	100.00	53.13
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group

The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten**

Subject	Percentage of Students Meeting or Exceeding the State Standard					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
Science (grades 5, 8, and 10)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2017-18)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	21.4	20.4	45.9

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

Stone Creek Elementary School is a neighborhood school in a community that places a high value on education and the importance of the home and school partnership. Parent participation is valued and there are numerous opportunities for parent volunteers at Stone Creek. We have parents, grandparents, and community members volunteering in classrooms, participating in School Site Council and PTA activities, assisting with fundraising, political action, community service, and a wide range of committees which are so vital to providing a successful learning environment for all students. Parents also have the opportunity to participate in the District English Language Advisory Committee, School Site Council, the GATE Community Advisory Committee, and the Special Education Advisory Committee. We enjoy welcoming parents on campus for special events such as Picnic with Parents, Book Fair, Ice Cream Social, Back to School Night, Open House and Family Fun Nights.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18

Expulsions	0.0	0.0	0.0	0.0	0.0	0.0	0.1	0.1	0.1

School Safety Plan (School Year 2018-19)

Stone Creek School has developed a Comprehensive Safe School Plan. Our plan is evaluated and amended, as needed by the School Site Council, Risk Management at District level, and/or staff. Key elements of the plan include: 1a) Safety goals and objectives, 1b) Assessing the current status of school crime committed on the school campus and at school-related functions, 2a) Child Abuse Reporting procedures, 2b) Disaster procedures – routine and emergency, 2c) Disaster teams and their roles, 2d) Policies for suspension, expulsion and mandatory expulsion, 2e) Procedures for Notification of staff regarding at-risk students, 2f) Policies on sexual harassment, 2g) Policy related to school dress code, especially gang-related apparel), 2h) Procedures for safe ingress and egress of pupils, parents, and school employees to and from school, 2i) Procedures that create a safe and orderly environment conducive to learning at school, 2j) Rules and procedures on school discipline.

In addition, monthly fire drills are conducted at Stone Creek. Two lockdown drills as well as two disaster drills are held annually. Emergency supplies are stored in classrooms and strategic locations throughout the school.

Staff has also participated in Lockdown Safety training provided through the district and Irvine Police Department.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Average Class Size and Class Size Distribution (Elementary)

Grade Level	2015-16				2016-17				2017-18			
	Avg. Class Size	Number of Classes			Avg. Class Size	Number of Classes			Avg. Class Size	Number of Classes

Resource Specialist (non-teaching)	1.0	N/A
Other		N/A

Note: Cells with N/A values do not require data.

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Expenditures per Pupil and School Site Teacher Salaries (Fiscal Year 2016-17)

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Supplemental/ Restricted	Basic/ Unrestricted	
School Site	\$5,248	\$167	\$5,081	\$87,699
District	N/A	N/A	\$5,566	\$82,232
Percent Difference: School Site and District	N/A	N/A	-9.1	6.4
State	N/A	N/A	\$7,125	\$80,764
Percent Difference: School Site and State	N/A	N/A	-33.5	8.2

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2017-18)

The Local Control Funding Formula has replaced California's previous method of allocating funds to school districts. In place of more than 40 specific funding categories, the new model has established three sources of state funding with increased local discretion to determine how best to spend those funds in the service of students. All districts receive a BASE of per-student funding that varies slightly depending on grade level. All districts also receive SUPPLEMENTAL funding. IUSD has used BASE and SUPPLEMENTAL funding to support the following programs:

Site Programs and Services: 1) Support professional learning and teacher coaching, 2) provide summer school and summer athletic programs, 3) Allocating site funding and staffing to support student achievement, 4) Elementary P.E. paraprofessionals, 5) Support for English language learners, 6) Elementary science, music, and art programs, 7) Purchase textbooks and instructional materials, 8) Develop a technology rich learning environment including: Technology matching programs, Technology Maintenance fund and site technology support staff, 9) Maintain previously implemented class-size reduction, 10) Additional secondary sections to reduce class size, 11) Middle school zero period program, 12) Maintain positive behavioral intervention and support program, 13) Maintain site staffing with full-time assistant principals, 14) 450:1 counseling ratio, support for large elementary schools and elementary classroom aides, 15) Support interventions and supplemental programs impacting English learners, low income and foster youth, 16) Continue to build Career-Technical Education pathways and blended On-line learning opportunities for students, 17) Develop mental health and wellness programs and hire staff including support for the Irvine Family Resource Center.

Finally, CONCENTRATION grant funding equal to 50 percent of the base is provided to districts in which English-learners, low-income students and foster youth exceed 55 percent of the total enrollment. Irvine Unified School District is not eligible for concentration funding because its enrollment does not exceed the 55 percent threshold.

Teacher and Administrative Salaries (Fiscal Year 2016-17)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$47,823	\$47,903
Mid-Range Teacher Salary	\$85,411	\$74,481
Highest Teacher Salary	\$110,405	\$98,269
Average Principal Salary (Elementary)	\$121,210	\$123,495
Average Principal Salary (Middle)	\$146,697	\$129,482
Average Principal Salary (High)	\$165,402	\$142,414
Superintendent Salary	\$320,910	\$271,429
Percent of Budget for Teacher Salaries	34.0	35.0
Percent of Budget for Administrative Salaries	5.0	5.0

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Professional Development (Most Recent Three Years)

Each year our district and school offer Professional Growth opportunities for all staff. The focus of the staff development is around the implementation of new curriculum and/or materials, enhancing effective teaching strategies, and district and school-wide continuous improvement efforts. This year, Stone Creek is focusing on the effective use of technology in the classrooms and Thinking Maps for reading and writing. In addition to that, we continue our professional learning with our Common Core trainings. Our PBIS team is gaining a firmer grasp of Tier I systems, as we progress to Tier II through training with Guidance Resources at district level.

Staff members attend two 6-hour Professional Development days and three 2-hr Professional Development meetings.
