School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018-19)

Our mission is to enable students to become contributing members of society empowered with the skills, knowledge and values necessary to meet the challenges of a changing world, by providing the highest quality educational experience we can envision.

Westpark School opened its doors in July, 1991. Our first enrollment included 341 students in grades K-5. Currently, we maintain an enrollment of 862 students in grades TK-6. Westpark is one of four schools in Irvine that operate with a year-round calendar. In addition to serving neighborhood children, we offer the year-round calendar as an alternative to other families in Irvine who choose this schedule.

Westpark was recognized as a California Distinguished School during the 2013-2014 school year.

In every academic setting we provide a learning environment that emphasizes individual initiative and creativity as well as group cooperation and communication skills. Our offerings include the Alternative Program for Academically Accelerated Students (APAAS) classes, GATE clusters in classrooms, Specialized Academic Instruction support, Speech and Language support, New Comers Cluster Class in grade K and 1 with SDAIE and EL instructional support for our English Learners, Early Intervention Reading Model for emerging readers, and Response to Instruction (RTI) for all students in reading, and regular education classes. Intervention programs are designed and implemented to offer academic skills and support through supplemental funding. The programs are designed with input from the teachers based on their assessments and teacher recommendation. Progress monitoring of student progress allows for flexible support. In addition to general education classrooms, we serve Special Education students collaborative classroom settings and also three upper-grade classrooms for academically talented students (APAAS). Our student population includes students from homes where more than 30 languages other than English are spoken. Our staff carefully monitors each child and celebrates each child's successes and uniqueness at our regular grade level assemblies. We are a PBIS, Positive Behavior Intervention and Supports school and provide all students the social and emotional supports along with the academic supports while emphasizing our school values of Accountability, Integrity, and Respect.

During the 2018-2019 school year the facilities at Westpark will be under construction for modernization and to bring the school to the education specs determined by IUSD. The project adds collaboration spaces, an innovation lab, design lab, and new kitchen building.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

Westpark is in its 25th year of being a wonderful home for education to Irvine students. Working and learning in an attractive, well-maintained facility is a top priority at Westpark. Westpark has a technology lab, with mobile devices and flexible furniture. There LCD projectors in each classroom, document cameras in all classrooms, and voice enhancement systems. A fully equipped multipurpose room, with a state-of-the art sound and lighting system, is at the center of our school. Westpark has a 2 to 1 mobile devices in the upper grades and a ratio of 4 to 1 in the primary grades. Our large state of the art Multi-Purpose Room lends itself nicely to many assemblies and performances. Our Media Center houses the school library and main technology lab, with additional devices. The library offers weekly formal instruction to students, and is available throughout the day for students to conduct research and project development. Upper grade science is taught in a lab setting by the school science specialist. The campus is maintained weekly by IUSD Grounds staff. All restrooms are open for student use throughout the day and are maintained daily by our on-site custodians. The staff at Westpark takes great pride in keeping a safe and clean learning environment for students, staff and parents.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	77.0	80.0	77.0	77.0	48.0	50.0
Mathematics (grades 3-8 and 11)	77.0	78.0	74.0	74.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	489	480	98.16	80.17

English Learners	125	118	94.40	68.64
Students with Disabilities	59	59	100.00	43.10

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group

English Learners	125	124	99.2	70.97
Students with Disabilities	59	58	98.31	43.86

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
Science (grades 5, 8, and 10)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2017-18)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	17.5	28.6	38.1

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

Westpark School is embedded in a community that believes that education is a partnership between the home and the school. The PTA, the School Site Council, the volunteers, and support from the business community are integral to the ongoing success of our students. PTA provides enrichment opportunities through assemblies, after school enrichment classes, financial support for programs, and financial support for every classroom. The School Site Council participates in the monitoring of our educational plan and the expenditure of funds to enrich our curricular foci. The volunteers contribute hours to the classroom through tutorial, library, computer lab and clerical support. The business community is also involved by supplying our school with resources to purchase equipment and other supplies and assemblies to enrich the entire school. Our parents are actively involved at our school in a variety of ways. Parents are encouraged to contribute to the multicultural community at Westpark through community events and educational opportunities as well as we feel that this is a critical piece of our Positive Behavior Intervention and Supports model. The PTA also encourages and supports the arts through support of the music program and coordination of student performances twice a year.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18

School Safety Plan (School Year 2018-19)

The following are the safety goals and objectives as outlined in the safety plan for Westpark.

Goal # 1 – Based upon the number of changes to staff and the current positive trend with student discipline, all members of the Westpark School Community will be trained in and implement with fidelity PBIS in order to continue to decrease student discipline. The staff will revisit Tier 1. The PBIS site coach will attend additional training with district coach to focus on Tier 2 Interventions, and will meet with the PBIS team to review data and implement solutions.

Objective 1 – The site coach will receive training and support to lead the PBIS team.

Activities:

-
- Train Tier 2 team in Guess, Check, and Coach
- Site coach to train team and present at staff meetings and through email communication
- Train staff on systems of behavior support

Objective 2 – All staff, including new staff members, will implement PBIS at a class and school level with fidelity.

Activities:

- A kick-off activity with buddy class that introduces AIR will be held at the beginning of the school year
- Student Engagement training for instructional assistants
- Classroom matrix of expected behavior completed with students
- A school wide booster that reviews student behavior after fall break
- Administrators will use AIR and positive intervention approaches when following up on office referrals.
- A survey will be given to staff at mid-year and end-of-year to monitor implementation
- Parents will receive information about PBIS through weekly Eagle Announcement emails
- Look at function of behavior
- Teachers to complete SRSS Behavior Screener

Goal #2 – All members of the Westpark School Community will be trained in protocol and practice for all types of emergencies. Based upon feedback after the bomb threat 2 years ago, all staff expressed a desire for additional training on procedures for each type of emergency.

Objective 1 – Staff and parents will be trained in crisis response procedures for each type of emergency.

Activities:

- New staff members will receive communication from the Safety Committee identifying their role and responsibilities in the event of an emergency
- Staff meeting with Irvine PD to train for emergency response
- Safety Committee to meet and review needs and present at staff meetings
- Email to parents via Eagle Announcements to ensure parents understand what occurs at school and procedures to release a student in case of an emergency

Objective 2 – Staff and parents will practice a drill for each type of emergency and provide feedback.

- Westpark will plan and participate in the Great Shake Out in October
- In addition to lockdown drills, Westpark will plan a drill for each type of emergency
- Parents will be communicated with via Eagle Announcements how to prepare for emergencies and be notified of the drills

This plan was updated in September of 2018 and reviewed with School Site Council in November of 2018.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Average Class Size and Class Size Distribution (Elementary)

Grade Level	2015-16				2016-17				2017-18			
	Avg. Class Size	Number of Classes			Avg. Class Size	Number of Classes			Avg. Class Size	Number of Classes

Resource Specialist (non-teaching)	3.0	N/A
Other	0	N/A

Note: Cells with N/A values do not require data.

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Expenditures per Pupil and School Site Teacher Salaries (Fiscal Year 2016-17)

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Supplemental/Restricted	Basic/Unrestricted	
School Site	\$5,214	\$216	\$4,998	\$80,980
District	N/A	N/A	\$5,566	\$82,232
Percent Difference: School Site and District	N/A	N/A	-10.8	-1.5
State	N/A	N/A	\$7,125	\$80,764
Percent Difference: School Site and State	N/A	N/A	-35.1	0.3

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2017-18)

The Local Control Funding Formula has replaced California’s previous method of allocating funds to school districts. In place of more than 40 specific funding categories, the new model has established three sources of state funding with increased local discretion to determine how best to spend those funds in the service of students. All districts receive a BASE of per-student funding that varies slightly depending on grade level. All districts also receive SUPPLEMENTAL funding. IUSD has used BASE and SUPPLEMENTAL funding to support the following programs:

Site Programs and Services: 1) Support professional learning and teacher coaching, 2) provide summer school and summer athletic programs, 3) Allocating site funding and staffing to support student achievement, 4) Elementary P.E. paraprofessionals, 5) Support for English language learners, 6) Elementary science, music, and art programs, 7) Purchase textbooks and instructional materials, 8) Develop a technology rich learning environment including: Technology matching programs, Technology Maintenance fund and site technology support staff, 9) Maintain previously implemented class-size reduction, 10) Additional secondary sections to reduce class size, 11) Middle school zero period program, 12) Maintain positive behavioral intervention and support program, 13) Maintain site staffing with full-time assistant principals, 14) 450:1 counseling ratio, support for large elementary schools and elementary classroom aides, 15) Support interventions and supplemental programs impacting English learners, low income and foster youth, 16) Continue to build Career-Technical Education pathways and blended On-line learning opportunities for students, 17) Develop mental health and wellness programs and hire staff including support for the Irvine Family Resource Center.

Finally, CONCENTRATION grant funding equal to 50 percent of the base is provided to districts in which English-learners, low-income students and foster youth exceed 55 percent of the total enrollment. Irvine Unified School District is not eligible for concentration funding because its enrollment does not exceed the 55 percent threshold.

Teacher and Administrative Salaries (Fiscal Year 2016-17)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$47,823	\$47,903
Mid-Range Teacher Salary	\$85,411	\$74,481
Highest Teacher Salary	\$110,405	\$98,269
Average Principal Salary (Elementary)	\$121,210	\$123,495
Average Principal Salary (Middle)	\$146,697	\$129,482
Average Principal Salary (High)	\$165,402	\$142,414
Superintendent Salary	\$320,910	\$271,429
Percent of Budget for Teacher Salaries	34.0	35.0
Percent of Budget for Administrative Salaries	5.0	5.0

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Professional Development (Most Recent Three Years)

Westpark School and the Irvine Unified School District are committed to continuous professional improvement. The District and site have three staff development days. Teachers participate in an additional 12 hours of training throughout the year after school. Staff development opportunities are also offered in the afternoon and evening for teachers. Teachers have been participating in additional training to align instructional practices with the Common Core State Standards. We continue to develop reading, math, and writing instructional strategies and practices, as well as methods to differentiate instruction to better meet student needs. Technology instruction, differentiating the core curriculum, and special education were also school-wide foci. The focus for the 2015-2016 school year also included differentiation and common formative assessment. For the 2016-2017, we continued our work on PLCs, the learning cycle, and the inclusion of innovative and engaging instructional practices in the climate of risk-taking. The 2017-2018 focus was to continue to focus on assessment and the learning cycle through PLC work, technology, and social and emotional supports for all students. The 2018-2019 goals are to increase social and emotional learning supports, innovative teaching, and to continue our work on data and assessment. At Westpark we will provide an appropriately challenging curriculum for all students that fosters higher order thinking. We will explicitly and intentionally teach the language skills (listening, speaking, reading, and writing) necessary for success in all curricular areas; English, Social Science, Math, and Science. In providing this curriculum we will align our teaching, learning, assessments, and materials to content standards and the CCSS. We will provide equal access to the core curriculum and standards-based instruction for students with special needs (including but not limited to English Learners, GATE, Special Education, and At-Risk students). We will use on-going results from multiple assessments to design and/or modify our instruction and use the data from all sources, including that from standards-based assessments to evaluate current program effectiveness and make adjustments as necessary. We will seek opportunities to develop staff expertise in analyzing assessment data from a variety of sources to improve student learning. Through the PBIS model and school AIR values (Accountability, Integrity, and Respect) we will support school culture and individual actions that promote positive behavior and district core ethical values.
