partnership be the successful bidder, who shall act in all matters relative to the joint venture or partnership. If bidder is an individual, his/her signature shall be placed on such documents.

6. Modifications. Changes in or additions to any of the proposal documents, alternative proposals, or any other modifications which are not specifically called for in the proposal documents may result in the rejection of the proposal as being nonresponsive. No oral, telephonic, facsimile or electronic modification of any of the proposal documents will be considered.

7. Erasures, Inconsistent or Illegible Proposals. The proposal submitted must not contain any erasures, interlineations, or other corrections unless each such correction is authenticated by affixing the initials of the person(s) signing the proposal in the margin immediately adjacent to the correction. In the event of inconsistency between words and numbers in the proposal, words shall control numbers. In the event that any proposal is unintelligible, illegible or ambiguous, the District may reject such proposal as being nonresponsive.

8. Examination of Proposal Documents. At its own expense and prior to submitting its proposal, each bidder shall examine all proposal documents; visit the sites and determine the local conditions which may in any way affect the performance of the work; familiarize itself with all federal, state and local laws, ordinances, rules, regulations and codes affecting the performance of the work, including the cost of permits and licenses required for the work; determine the character, quality, and quantities of the work to be performed and the materials and equipment to be provided; and correlate its observations, investigations, and determinations with all requirements of the proposal. The District shall not be liable for any loss sustained by the successful bidder resulting from any variance between the actual conditions and data given in the proposal documents. Bidder agrees that the submission of a proposal shall be incontrovertible evidence that the bidder has complied with all the requirements of this provision of the Information for Bidders.

9. Withdrawal of Proposals. Any proposal may be withdrawn, either personally or by written request signed by the bidder, at any time prior to the scheduled closing time for receipt of proposals. 10. Interpretation of Proposal Documents. If any bidder is in doubt as to the true meaning of any part of the proposal documents, or finds discrepancies in, or omissions from the proposal documents, or has any questions related to the proposal documents, a written request for an interpretation or correction thereof must be submitted to the DISTRICT via email to the attention of Maria Ragas at MariaRagas@iusd.org by **Friday, June 2, 2017 at 11:00 am**. No requests shall be considered after this time. The bidder submitting the written request shall be responsible for its prompt delivery. No person is authorized to make any oral interpretation of any provision in the proposal documents, nor shall any oral interpretation of proposal documents be binding on the

District. If there are discrepancies of any kind in the proposal documents, the interpretation of the District shall prevail. SUBMITTAL OF A PROPOSAL WITHOUT A REQUEST FOR CLARIFICATIONS SHALL BE INCONTROVERTIBLE EVIDENCE THAT THE BIDDER HAS DETERMINED THAT THE PROPOSAL DOCUMENTS ARE ACCEPTABLE AND SUFFICIENT FOR BIDDING AND COMPLETING THE WORK; THAT BIDDER IS CAPABLE OF READING, FOLLOWING AND COMPLETING THE WORK IN ACCORDANCE WITH THE PROPOSAL DOCUMENTS; AND THAT BIDDER AGREES THAT THE WORK CAN AND WILL BE COMPLETED ACCORDING TO THE DISTRICT'S TIMELINES.

11. Bidders Interested in More Than One Proposal. No person, firm or corporation shall be allowed to make, or file, or be interested in more than one proposal for the same work unless alternate proposals are specifically called for by the District. A person, firm, or corporation that has submitted a subproposal to a bidder, or that has quoted prices of materials to a bidder, is not thereby disqualified from submitting a proposal or quoting prices to other bidders or submitting a proposal.

12. Award of Contract. The award of the contract, if made by the District, will be by action of the Governing Board, to the lowest responsive and responsible bidder based on taste, appearance, quality, nutritional requirements, and any other requirements of the proposal. The District reserves the right to withdraw or cancel one or more items from this RFP before award and proceed with the remaining items. The District reserves the right to make multiple awards or to reject any or all proposals, or to waive any irregularities or informalities in any proposals or in the bidding process. If two identical low proposals are received from responsive and responsible bidders, the District will determine which proposal will be accepted pursuant to Public Contract Code section 20117. In the event an award of the contract is made to a bidder, and such bidder fails or refuses to execute the Agreement and provide the required documents within five (5) calendar days after the notice of award of the contract to bidder, the District may award the contract to the next lowest responsive and responsible bidder or reject all proposals.

All of the above documents are intended to be complementary so that any instructions or requirements called for in one and not mentioned in the other, or vice versa, are to be executed the same as if mentioned in all said documents. The intention of the documents is to include all labor, materials, equipment,

transportation and services necessary for the proper delivery and installation of all items called for in the Agreement.

14. Competency of Bidders. In selecting the lowest responsive and responsible bidder, consideration will be given not only to the financial standing but also to the general competency of the bidder for the performance of the proposal. By submitting a proposal, each bidder agrees that the District, in determining the successful bidder and its eligibility for the award, may consider the bidder’s experience and facilities, conduct and performance under other contracts, financial condition, reputation in the industry, and other factors which could affect the bidder’s performance of the contract. The District may also consider the qualifications and experience of persons and organizations proposed for those portions of the work. Operating costs, maintenance considerations, performance data and guarantees of materials and equipment may also be considered by the District. In this regard, the District may conduct such investigations as the District deems necessary to assist in the evaluation of any proposal and to establish the responsibility, qualifications and financial ability of the bidder, proposed subcontractors, and other persons and organizations to do the work to the District’s satisfaction within the prescribed time. The bidder hereby certifies that it is, and at all times during the performance of work hereunder shall be, in full compliance with the provisions of the Immigration Reform and Control Act of 1986 ("IRCA") in the hiring of its employees, and the bidder shall indemnify, hold harmless and defend the District against any and all actions, proceedings, penalties or claims arising out of the bidder's failure to comply strictly with the IRCA.

10. It is understood and agreed that if requested by DISTRICT, the bidder shall furnish a notarized financial statement, references, and other information required by DISTRICT sufficiently comprehensive to permit an appraisal of bidder's ability to perform the work.

11. It is understood and agreed by the bidder that time is of the essence.

12. The required noncollusion declaration is attached as required by Public Contract Code section 7106. Bidder understands and agrees that failure to submit a completed and signed declaration will render the bidder automatically nonresponsive.

13. Bidder shall certify compliance in providing the following by checking below:

- Product Recall Program
 - A copy of the bidders Product Recall Program **must** be submitted with proposal.
- Disaster Contingency Plan
 - A copy of the bidders Disaster Contingency Plan **must** be submitted with proposal.

 - A copy of the bidders Food Security and Safety Program **must** be submitted with proposal.

14. The required Product Formulation Statements for Meat/Meat Alternate and Grains have been fully completed and are/is attached hereto.

15. A recent copy of the bidder’s health department report is attached hereto.

16. All foods meet the USDA’s “All Foods Sold in Schools” Nutrition Standards.

17. Buy American - Domestic/Foreign Products. The USDA, Food and Nutrition Services encourages specifications using Federal funds to require 100% domestically grown and processed products. The exceptions to the Buy American requirements that State DOE may consider are:

- a. The product is not produced or manufactured in the U.S. in sufficient quantities and are reasonably available in quantities of a satisfactory quality.
- b. Competitive research and bids reveal the costs of the U.S. product are significantly higher than the non-domestic product

This requirement will be strictly adhered to. Any bidder intending to provide products produced or grown in a foreign country must include such information on their proposal submission. Bidders offering product and/or product ingredients manufactured or grown in the United States may be given priority for usage under this solicitation. Failure to include such information on the proposal submission can result in product rejection at the bidder’s expense. If bidder is quoting on a foreign product, it must be so noted on the proposal and the reason for bidding a foreign product must be disclosed.

The successful bidder understands that substitutions deviating from the Buy American provision will not be accepted unless approved by the District and/or are either of the two (2) exceptions approved by the State DOE.

18. Failure to complete the Proposal Form and Proposal Form Pricing Sheet in its entirety will render a bidder nonresponsive.

19. List of References. Please provide references of school districts and/or any public agencies that bidder has contracted with to provide Sub Sandwiches & Salads.

The District’s Nutrition Services Department Director will be the sole judge as to whether such alternate products are, in fact, substantially equal to the specifications set forth herein and whether such deviations are acceptable to the District. Requests are for individually wrapped or single portion pack meal components to include entrees, sandwiches, fruits, vegetables, and/or bread items.

EXAMPLE

Documentation for Company X Product(s) Used as Alternate Protein Products (APP) for Child Nutrition Programs

- a) Company X certifies that Product Y meets all requirements for APP intended for use in foods manufactured for Child Nutrition Programs as described in Appendix A of 7 CFR 210, 220, 225, and 226.

- c) The Protein Digestibility Corrected Amino Acid Score (PDCAAS) for Product Y is 0.99. It was calculated by multiplying the lowest uncorrected amino acid score by true protein digestibility as described in the Protein Quality Evaluation Report from the Joint Expert Consultation of the Food and Agriculture Organization/World Health Organization of the United Nations, presented December 4-8, 1989, in Rome, Italy. The PDCAAS is required to be greater than 0.8 (80% of casein).

- e) The protein level of Product Y is certified to be at least 61.8% on an “as-is” basis for the as-purchased product. *(Note: Protein is often provided on a moisture free basis (mfb) which is not the information FNS requires.)*

All of the above information is required for APP and must be presented for approval.

Note: *It is also helpful to have the ingredient statement for product Y. For example, if the product is uncolored and unflavored the ingredient statement might be “soy protein concentrate” or if the product is colored and textured the ingredient statement might be “textured vegetable protein (soy flour, caramel color)”*
