

The background of the entire page is a microscopic image of tissue, likely stained with hematoxylin and eosin (H&E). The image shows various cellular structures, including nuclei stained blue/purple and cytoplasm/extracellular matrix stained pink/red. The tissue appears to be from an organ like the liver or kidney, showing organized cellular patterns.

# Science Fair Parent Information Night

**WHEN:** Wednesday, September 13th, 5:00 pm

**WHO:** Parents of Students in 6th Grade

Presented by Kelsey Estrada (Science Specialist) and Kim Cashin (Elementary Science TOSA)

**WHERE:** Science Lab, Portable 6  
El Camino Real Elementary  
4782 Karen Ann Ln, Irvine

**WHAT:** This is a chance for parents to learn why, what, who, where, how, and when your children will be conducting the science fair project.
